

WE RELY ON YOUR SUPPORT to ensure that Illinois State University's Gamma Phi Circus—the nation's oldest collegiate circus—continues to grow and thrive.

Since its founding in 1929, Gamma Phi has expanded to include acts such as tight wire, teeterboard, trapeze, Russian swing, Russian bar, partner balancing, juggling, and much more while maintaining its gymnastics roots.

Please consider making a gift today using the form on the back to ensure this great tradition lasts for many more years.
